Reference marks in the drawings:

1. Insulator
2. Conducting coil
3. Insulating material layer
4. External electrode
5. Conductor
6. Magnetic ferrite
7. External electrode
8. Ring-shaped core
9. Conducting coil
10. Insulating material layer
11. External electrode
12. Ferrite core
13. Conducting coil
14. Insulating material layer
